Global Campaign on Education For All Children with Visual Impairment

MONITORING AND REVIEW FLOW CHART

Following is the suggested sequence of events normally expected to take place in the implementation of the EFA-VI Global Campaign in any Focus country. Though regional variations do exist, the following flow chart helps the National Task Force to effectively monitor the implementation of the campaign.

- Doing a Needs Assessment Survey using the questionnaire developed by ICEVI
- Organising national level orientation meeting on EFA-VI involving key stakeholders
- Formation of a National Task Force for the EFA-VI Campaign or using an existing Task Force / Network
- Preparation of a National Plan and approval process from ICEVI
- Signing of MOU between ICEVI and the Nodal Agency of the Government implementing EFA-VI
- Official launching of the EFA-VI Campaign
- Submission of first year half-yearly Monitoring and Financial Report to ICEVI and Review
- Submission of the first year-end Progress Report of the Campaign to ICEVI
- Review of the progress by internal / external agencies and suggesting changes in strategies, if needed
- Submission of audited financial report for the first year of the programme
- Submission of second year half-yearly Monitoring and Financial Report to ICEVI and Review
- Submission of the second year-end Progress Report of the Campaign to ICEVI
- Review of Progress by ICEVI and continuation strategies
